

Guest speaker Tim Peterson spoke to us about Youth Girl's Basketball program. This program includes 2nd-6th grade boys and girls and is part of Storm Lake Community Ed. Each of the grades has between 10-15 members. Practices were held at the old Alta High School gym. There is an eastern and western league with Highway 59 being the dividing line. Alta plays an 8 game schedule in the eastern league. Home games are played in the smaller Aurelia gym. Recently the 5th grade hosted a tourney in Aurelia. Tim mentioned several coaches assisting him including Dave McCoy, Josh Droegmiller, Jay Leonard. Bob Fritz, Austin Herrig, and Kristin Watts among others. A request was made for help in purchasing uniforms.
