

Guest speaker Tuesday morning was Alta-Aurelia Boy's Track Coach Wendell Larsen. This year 22 boys are participating in various track and field events. This includes 5 seniors, 4 juniors, 7 sophs, and 6 freshmen. Outdoor practice has been somewhat hampered by the weather. Last Friday and Saturday the team took part in an indoor meet held at BVU. Due to weather conditions only 14 of 32 teams were able to attend. Some results: Ricky Pizano placed first in 60 meter event. Nick Gaes was first in 110 meter hurdles. Pizano, Krier, Ryherd, and Sleezer finished second in 4X200. Chandler Damewood took first in the high jump with a personal best of 6'. Logan McCoy finished third in the same event. In long jump Ryherd and Krier finished second and third. The first outdoor meet will be held Tues. Mar. 27 at Ridgeview. A-A home meet is on April 24. Coach Larsen feels team strength lies in the field events. Coach is assisted by Rory Payne.
