

Visiting us on Tuesday were two guest speakers: Aiden Freise and Mrs. Mike (Patty) Bartholomew. Aiden is an Eagle Scout with Troop 104 Storm Lake. He is involved with a project: building shelves and installing cabinets in the A-A high school band room. The extra shelves and cabinets would allow instruments to be neatly stored away instead of being left on the floor. The Wenger Company would be providing shelving materials. Complete cost of the project is \$6,000 of which \$3,000 has been received from the school.

Our second guest, Patty Bartholomew spoke on behalf of the Alta-Aurelia Trap Shoot team. Patty and her husband Mike, along with several other instructors, are teaching 31 students from 4th grade to seniors. The team is scheduled to compete at 17 meets this year with the first meet to be held in Schaller. The home meet set for April 21st. In addition to these meets the team has participated at Summer and Winter Iowa Games. Currently, they are in the process of building a hot line to allow for inside shooting during inclement weather. They are seeking funding.
