

"Cut off the limbs to save the body", is a quote credited to Chaim Mordechai Rumkowski, a Russian, during the Holocaust. This the subject of an award-winning video presentation produced by four Alta-Aurelia high school students. As part of Iowa National History Day four A-A students Cali Mongan, Phoebe Feis, Mason Peterson, and Colten Henkel put together a video presentation using the Holocaust as a backdrop. Their presentation was entered into competition on the local level---Storm Lake and on a state level--- Des Moines. The Alta-Aurelia presentation was chosen along with one other Iowa entry to be entered into a competition in Washington D.C. on June 10. Cost of the trip is \$4,600. \$3,600 of cost has already been secured. When asked why they chose a Holocaust theme one student statedthat she did not know much about the Holocaust. We wish them lots of luck.
