

Julie Langner from Alta-Aurelia School Library spoke to us about the upcoming Library Book Fair Nov. 5th-9th. Each Elementary child gets a \$5 book and will be able to purchase more. Books come from Omaha. Each teacher makes a wish list of books from which the children can choose. Julie is seeking donations to help pay students who can't afford the books. If a child doesn't see a particular book at the fair they can either order them on-line or Julie can order for them. If book supplies run out Julie can order them by noon of one day and receive copies by noon the next day.
