

Tuesday's guest speaker was Deb Hinkeldey--- BVRMC Oncology. Deb is a part-time nurse (3 days a week) in the Infusion Center. The Center is located on the south end of the hospital. Infusion Center is open from 8AM-5PM. The Oncology and Infusion Center does blood transfusions, IV Antibiotics, Immune System Support, Multiple Sclerosis, and Osteoporosis to name a few. Injections are also a part of the services performed. These include antibiotics, Allergic Asthma, Blood Thinners, and vitamin Supplements, etc. Staff includes a Director, Secretary, and 2 or 3 part-time nurses. The Oncology Center works with Mayo Clinic and Iowa City Hospitals.
